FOR IMMEDIATE RELEASE:

Oshawa Public Libraries Presents:

Repair Café

Oshawa Public Libraries, McLaughlin Branch, August 20, 2022, 10 AM – 2 PM

Oshawa Public Libraries invites you to bring your small broken appliances, electronics, jewellery, clothing, and more to the free Repair Café session at the McLaughlin Branch on Saturday, August 20, and work with skilled volunteers to mend your broken item.

According to the Government of Canada website, an estimated 25.7 million tonnes of waste are put into landfills across the country each year. The Repair Café allows us to breathe new life into damaged pieces and keep them out of our landfills.

Don't toss it; fix it! Register to attend the upcoming Repair Café [here](#).

The Repair Café concept began in the Netherlands in 2009. The first Repair Café event proved a need for people to learn how to do their repairs and demonstrated the value of sharing knowledge with others.

If you have a flair for repair, please consider volunteering as a member of our Repair Café team. Call Andrea at 905-579-6111 ext. 5228 for more details.
