

## Media Release

FOR IMMEDIATE RELEASE:

### **Oshawa Public Libraries Wants You to Check Out a Local Museum!**

*Oshawa Public Libraries, All Branches, November 2022*

Visit fabulous local museums for free with your Oshawa Public Libraries card!

Oshawa Public Libraries and Oshawa museums are dynamic community partners that work collectively to ensure Oshawa residents can enjoy quality programs and services. This exceptional partnership demonstrates that we deliver excellent value and give back to the community by providing free passes to visit these much-loved historical gems.

When you borrow a museum pass from the Library, you can polish up your car knowledge at the Canadian Automotive Museum and marvel at the evolution of the automobile from 1897 – 2008 or stop by and say hello to Lightning McQueen! You could visit the Ontario Regiment Museum, home of Canada's most extensive collection of operational military vehicles, or learn past and present-day stories of Oshawa from Indigenous inhabitants through Oshawa Museum's inspiring exhibits. You could even step back in time and tour the atmospheric Parkwood National Historic Site and experience the home of the late R.S. McLaughlin, Canadian auto baron and founder of General Motors of Canada.

"With the holiday season just around the corner, a trip to the Library and these beautiful museums is a fun and warm indoor activity for families looking for stay-cation ideas, not to mention easy on your wallet!" Frances Newman, Oshawa Public Libraries CEO.

Reserve a Museum pass and learn more about what's new at the Library, including programming for all ages, helpful and entertaining resources, new book releases and more; visit the Library's website, [oshawalibrary.ca](http://oshawalibrary.ca).

***Oshawa Public Libraries*** serves the City of Oshawa through four locations. To learn more about Oshawa Public Libraries, visit our website, [oshawalibrary.ca](http://oshawalibrary.ca). To get the most current updates on what's happening at the Library, follow us on social media @oshawalibraries.
