

## Media Release

FOR IMMEDIATE RELEASE:

### **Oshawa Public Libraries Enhances Customer Experience with New Mobile App**

*Oshawa, ON, February 9, 2026*

Oshawa Public Libraries (OPL) is excited to announce the launch of its new mobile app, available for download beginning February 9, 2026, on Apple and Android devices through their respective app stores.

The new OPL app offers customers a convenient, streamlined way to enjoy the same features they rely on through the Library's website—such as managing their accounts, registering for events, and browsing books, eBooks, audiobooks, and more—all now brought together in a mobile-friendly platform with added functionality designed for on-the-go use.

#### **New Features Designed for Convenience and Flexibility**

- **Manage multiple accounts**

Add up to **eight library cards** to a single device, making it easier than ever for busy families to manage all their cards in one place.

- **Access your digital library card**

Display your virtual library card barcode in the app, then scan it at any Library hub or self-checkout station—no physical card needed.

- **Customizable home screen**

Tailor your app experience by choosing what appears on your home screen.

To download the app, simply search "**Oshawa Public Library**" or "**Oshawa Public Libraries**" in your device's app store or visit [oshawalibrary.ca/app](http://oshawalibrary.ca/app) to learn more.

***Oshawa Public Libraries** serves the City of Oshawa through 4 branches. To learn more about Oshawa Public Libraries, visit [oshawalibrary.ca](http://oshawalibrary.ca). For updates on what's happening at the Library, follow us on social media [@oshawalibraries](https://twitter.com/oshawalibraries).*
