Message From the CEO

We recently launched two new online services for library members: **PressReader**, which provides free access to newspapers such as the *National Post* and the *Toronto Star*, and magazines including *Canadian Living* and *HELLO! Canada*; and **Consumer Reports**, the definitive guide for consumer purchases. You can find these on our website under the "Online Library" tab. (oshawalibrary.ca/online-library)

Speaking of our website, have you downloaded our new app? It's now available on the **App Store** and **Google Play**.

Also new this year is our **Genealogists-in-Residence** program. In partnership with the Durham Region branch of Ontario Ancestors, experienced volunteers will help you research your family tree. See page 4 for more information.

March Break is packed with tons of fun activities for the kids, and later this spring, we celebrate our annual **FanCon** on May 9.

Mark your calendar for the Friends of the Library Book Sale on April 16-18 in the McLaughlin branch auditorium.

See you at the Library!
